E

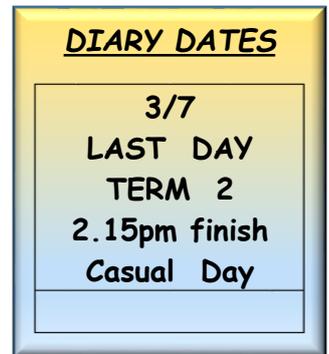

Dear Parents, Caregivers and Community Members,

As Catherine is on leave this week, I am writing my first front page of the Newsletter this year.

As we go into the last half of term 2, teachers are busy writing student reports to go home to families in week 10. Despite the first semester of 2020 being quite disruptive for schools, the majority of our students have had many fantastic learning opportunities already this year.

Last week saw the long awaited arrival of the Year 7 uniform. They are perfectly designed to highlight our beach 'vibe' and keep students warm as we head into winter. Please ensure your child wears a school jumper daily from now on. Winter school uniforms are available at the office.

Last week's students in Reception to year 7 were invited to wear their house colours and participate in our SAPSASA cross-country event. There was a large number of students who participated and showed great endurance and persistence and participation to complete the course. The results were as follows :

Bagshaw	180 points
Christies	173 points
Dyson	153 points
Anderson	150 points

Also last week students planted a variety of trees in our Nature Play area to help celebrate World Environment Day whilst giving the school a facelift.

This week we have also begun to upgrade our cabling around the school to improve our internet speeds and future IT demands. Hopefully the new system will be completed in the next school holidays, in time for students returning in term 3.

Lastly, we'd like to welcome back Ms Jayne Summers after an extended break! Jayne will continue her valuable work supporting our ATSI and EALD students.

We are all looking forward to the remaining 3 weeks of term and providing more exciting learning opportunities to our students.

Kind regards,

John Irwin

SECONDHAND UNIFORM

Our supply of secondhand uniforms is extremely low. If you have any articles of uniform that your child/ren have grown out of and wish to donate to the school, they can be dropped off at the front office. Any donation will be greatly appreciated. Thanks.

TINKER CLUB

Ben and the Tinker Club are looking for donations of any materials that can be used for tinkering. This could be just about anything...Boxes, corks, material, paper plates. One person's trash may be another person's treasure. Anything that you think may be suitable would be greatly appreciated and can be left at the Front Office. Thankyou.

ENTERTAINMENT

Our school will be once again fundraising with Entertainment. This year there will be no books with everything being on an Entertainment Membership App which can be downloaded onto your phone.

A flyer will be sent home with all the relevant information in the very near future.

LIBRARY NEWS

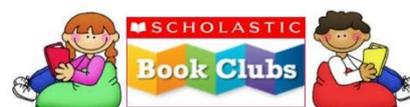

On Wednesday 27th May, it was Simultaneous Story time. The story was Whitney and Britney, Chicken Divas. A number of classes got involved by either listening to the story at school, or by watching it on their smart boards. The children were then involved in some creative craft, making their own Divas with lots of sparkle and glitter. A lot of fun was had by all!

Room 6

Room 5

A reminder that Book Club orders are due back to school by Friday 19th June.

Please encourage your child to keep on Reading for the Premier's Reading Challenge.

Please remind your child/children to return their borrowed books to the library on their library day to avoid missing out on borrowing another book. If books are lost a bill may be sent home to recover the cost.

If you have any concerns or questions, feel free to come and see me in the Library.

Regards Mel ☺
