

## Uniform Policy

**Our school Vision: Building Empowered Learners for Life**  
**Our 3 Universals: We Aim High - We are Responsible - We are Resilient**

### The wearing of a school uniform:

- Promotes a sense of belonging and pride in the school and community.
- Gives the school a unique identity.
- Creates a sense of equity for the students.
- Is practical in its application to a wide range of physical activities and weather conditions.
- Ensures students observe health, safety and decency standards.
- Eliminates competition for brand name and 'fad' clothing and the wearing of inappropriate clothes and accessories.
- Makes students easily identifiable in the yard/on excursions or when representing the school.

It is an expectation at Christies Beach Primary School that all children will wear a school uniform. Clothing with non-school logos (e.g. Nike Adidas) is not acceptable.

The governing Council has approved the Uniform Policy and expects compliance of students, parents and staff.

### Compliance Obligations

Any student not wearing full school uniform who:

- (a) Has a note of explanation from home, will be provided with a loan uniform.
- (b) Does not have a note of explanation from home, will be provided with a loan uniform and parents/caregivers will be contacted by letter, diary note or phone if the student persistently breaches the school dress code.

Families are asked to contact the school if there are extraordinary circumstances preventing students wearing the school uniform on a particular day. In keeping with the schools principles of social justice, a member of the leadership team may arrange for uniform items to be made available to families in extenuating circumstances.
