Department for Education

# Christies Beach Primary School

**Thursday 2 November 2023**

Dear Parents, Caregivers and Community Members,

Welcome to Term 4 in what has started out to be a busy and exciting term. Congratulations to our Wakakirri students, Tamia and Ms Crockford for their performance of Racism in Sport receiving a **National Reconciliation Award**. They have also been invited to perform at the Public Education Awards Ceremony on 3<sup>rd</sup> November.

Congratulations to Tamia Blackwell and Sara Crockford on being selected as finalists in the **Department for Education's Public Education Reconciliation Award**. The winners of this awards will be announced at the Public Education Awards Dinner this Friday 3<sup>rd</sup> November.

Both of these awards are recognition of all of the extra efforts that our educators make to ensure we are u experiences for our

students and to demonstrate examples of how reconciliation can occur.

It is through these unique messages that we can educate others in our community about how reconciliation can be achieved. Reconciliation at our school is only achieved through collective efforts of a whole community and a desire to change.

Unfortunately our Garden Shed burnt down in the holidays. This has now been demolished. Our bus was also damaged and is now awaiting repair. We are currently using a hire bus. We are working with our Facilities Manager to have a replacement shed as soon as possible. Our equipment will be replaced once we have a place to store items. In the meantime we have a contractor mowing lawns and Travis is borrowing equipment from another school.

We are facilitating an Open Morning tomorrow, Friday 3<sup>rd</sup> November from 9am. Please feel welcome to attend and invite other families who may be wanting to enrol their children.

We are currently in the process of class configurations for 2024. Please ensure that you make any class placement requests in writing by Friday 10 November.

<b>17</b>	Nika	RESPONSIBILITY – She has shown kindness to herself and others
<b>14</b>	Mason	ALL VALUES – He has shown outstanding commitment for all three of our school values

## SCHNIPPERS

This week we had the pleasure of commencing our School Nippers or *Schnippers* program with the amazing volunteers and staff of Christies Beach Surf Lifesaving Club (CBSLC), supported by our amazing teachers and support staff here at CBPS.

Although the weather was not kind for us on our first day with strong winds and big tides, it was fantastic that CBSLC were able to come to school so that the program could continue. Over the duration of the program, when inclement weather is a concern, the club has offered the program to continue on site at the school.

It was fantastic to see the kids so enthusiastic, excited and engaged while participating in and learning about Surf Life Saving. Community engagement is a big part of the Schnippers program and it is expected that parents attend sessions to support their child, this is especially important if your child has particular or diverse needs.

We look forward to our continued engagement with the club and to see our children develop new skills and confidence while connecting to our local club in our beautiful beach environment.

On a final note we would like to remind families that photographing children during Schnippers is not permitted.

## SPORTS DAY

Our Sports Day is scheduled for next Friday 10<sup>th</sup> November. Please return lunch order forms by next Monday, 6<sup>th</sup> November.

Currently very hot weather is forecasted for the day. If the day is to be postponed we will communicate this with our school community early next week.

Family Practitioner—TBA

Taikurrendi comes from the Kaurna language meaning, 'to be mixed, together'

Taikurrendi Children and Family Centre is underpinned by a philosophy of co-operation between families, community, Government and non-Government partners and will both complement and expand the existing network of integrated early childhood services in South Australia.
